

Steps in Completing Graphic Organizer

Second Grade - 1st Quarter

Week	1 Making Meaning Titles (strategy)	3 Writing Genre: Persuasive Writing Traits: Voice, Conventions, Presentation	Social Studies	Science	Guided/Shared Reading	5 Literacy Corners/Centers
26	Fishes Questioning	Trait: conventions Write a letter to answer these questions: What was the most interesting thing that you learned today about fishes? Why was that interesting to you?		4.b. Explain that an organism's ability to survive is dependent on its physical characteristics and the space & condition of the environment.	"The Lake" "Animals All Together" "Sean & Land Animals"	Pictures of animals & pictures of habitats; match which animal survives in a habitat AND explain why

- 1 Look at and become familiar with "Making Meaning" title.
- 2 Try to align Social Studies and/or Science MIGs (code) and make note of any connections.
- 3 Work in the "Writing" column, paying close attention to the noted genres and traits that are to be covered during that particular quarter.
- 4 Work in the "Guided/Shared Reading" column. Use the lists of titles provided.
- 5 Work in the last column "Literacy Corners/Circles" (gr K-3) or "Literacy Circles/ Book Clubs" (gr 4-5).
