## October 2009

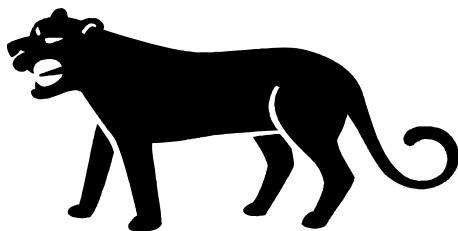

Welcome to CCI in the classroom!  
Over the past few weeks we have been learning about money, counting backwards and forwards by tens, as well as counting by 5's and tens. We have stayed above 80% each week which is below our goal of 100% however we did meet our goal of 100% on counting 10 more or 10 less using our number grids. This week we will be counting from a specified number to a stopping point.

An example:

24, 25, \_\_\_\_, \_\_\_\_, \_\_\_\_

CCI

Remember to ask what our weekly CCI goal is when your child gets home!

### Content

Recently we have been studying the plants and animals. We completed KWL charts for plants and whales.

### Our Norms

Be good even if the teacher is not looking.

Raise your hand to ask a question.  
Wait for the teacher to call on you.

No hands on/words on.

Show PRIDE Behavior.

We will not talk while the teacher is talking.

Show proper carpet behavior!!

### Our Mission Statement 2009-2010

The mission of Mr. King's second grade class is to be prepared to learn every day, be on time, show PRIDE behavior, be a role model to others and learn all we need to know for third grade!

This is the mission created by the 2<sup>nd</sup> grade class!

### Parent Teacher Conferences!

Several parents signed up for conferences during November. Please call and sign up for a conference.
