

# 2<sup>nd</sup> Grade Newsletter

## October 2009

### CCI

CCI is a very important part of our daily routine. One of the things students have been concentrating on is counting up by different numbers-for example by 1's, 2's, 5's and 10's. For example, what is 10 more than 20? Or what is 5 more than 17? There has been lots of fun practicing on the Smartboard with different activities. I think one of their favorite activities has been the Number Grid Game.

Another very important part of our daily routine is Literacy. We are working very hard on becoming better readers and writers. And I can already see a difference! Thanks for your help.

### Important Dates

Thursday, 10-8, PTA Meeting  
Friday, 10-16, October Rocks  
Friday, 10-23, Early Release 1:30

### Parent Teacher Conferences

The first week of November will be Parent Teacher Conferences. Some people signed up during Open House. If you were unable to do so, please call the school at 523-1900.
