

Going Bananas for Learning

Welcome Back

Hi, My name is Autumn Masaoay and I will be your child's first grade teacher. This is my fourth year teaching for Springfield. I am thrilled to be a part of your child's life and learning. Please do not hesitate to contact me at 417-523-1900 or at amasaoay@spsmail.org.

Continuous Classroom Improvement.

Each week we set a math goal that we want the entire class to reach. We practice this skill many times during the week and take a short quiz at the end of the week. We graph the number of students who met the goal and discuss how we can do better next week. If we meet our goal, we celebrate. Ask your child about their weekly goal and make sure they always know what is expected of them.

Homework Very Important

Your child will have homework on almost a daily basis. The homework will be in either math or reading. I ask that you have your child read to you 20 minutes every night or for you to read to them. This will help them become better readers.

P.R.I.D.E. Panthers

At Weller, we want all students to show pride behavior. If you are new to Weller, here is what we mean.

P. POLTIENESS

R.RESPECT

I. INTEGRITY

D. DISCIPLINE

E. EFFORT

Every Student can become a PRIDE Panther by showing these qualities and trying their best. This honor gets them a t-shirt, access to the PRIDE Panther and their handprint on the pride wall.

Week One Objectives

- *We will develop our mission statement and goals.*
- *We will organize our materials for learning.*
- *We will begin to learn our expectations for reading time.*
- *We will start our 1st unit of math.*
