

The Green Community October Bulletin

Reading

- Book Clubs are beginning.
- We will be focusing on animal books.
- Students are expected to read 20 minutes at home each night.
- We are still reading *Boxcar Children*, and we love it.

Writing

Focus:

- Nouns
- Verbs
- Adjectives
- Adverbs
- Writing sentences

Math

All students should be able to add and subtract multi-digit numbers.

We will be constructing bar graphs.

In Monday Math rotations, we play math games.

We will be starting multiplication soon.

Things you can do at home:
Play games such as dominoes, card games, dice games, and puzzles.

Science

We learn science in science rotations on Friday afternoons.

We are focusing on:

- Observing like a scientist
- Communicating like a scientist in our Science Notebooks
- Light
- Rocks (Igneous, Metamorphic, Sedimentary)
- Matter (solid, liquid, gas)

Upcoming Events

Thursday, October 8 -M & M Math Night at Weller (come play math games)

Saturday/Sunday, October 10, 11 - Gym and Mineral Show in Downtown Springfield

Friday, October 16 -Field Trip to MSU for the Literature Festival

Tuesday, October 27 -Field Trip to the Landers Theatre for Alice in Wonderland

Things to Remember

Students can play math games online at www.everydaymathonline.com.

We need phone books from other cities around the country.

Our Mission:

The mission of the Green Community is to :

- **Explore and learn math, science, reading, and writing**
- **Challenge ourselves to be great**
- **And make great friends by being kind and helpful to others.**
