

Weller Elementary August/September 2009

Miss Bernor's 1st Grade Class

Welcome back!!! This is going to be an amazing year for your student's growth in learning and as an individual. Over the next month of time, your students will be discovering numbers and how they relate to one another. Your students will also take a voyage to find books that are just right for them. Your child's writing will develop in connecting a picture to their words. The school's environment and plant life are just a few things that your child will dig into over the next month. I am so excited to take apart in their journey of learning and I hope that you will take part in that journey as well! Welcome!!!
