Parent Teacher Conferences

Each of you has a scheduled time to meet with me this week to talk about your child's performance at school. Please call if you are unable to make the scheduled time so that we can reschedule. This is a very important part of your child's school life, please don't miss it. I am so proud of each of my students that I wouldn't want to miss the opportunity to share their successes with you!

Volunteers Needed

If you would like to come and read a book to our class or play an instrument, or talk about your job, please contact me and we will set this up. Your children love to have you involved and you are always welcome in our classroom!

We Should Be Proud

We went 2 weeks without having any behavior sheets last month. I am hoping for every week this month. We also had really good attendance last month. Please continue to send your child to school on time...it makes a big difference in their learning!
