

Shelton Kindergarten Class News October 9, 2009

The mission of Weller Elementary is to prepare all students to become lifelong learners and critical thinkers.

Dear Kindergarten Parents and Guardians,

Thank you so much for all you're doing to support your child's learning. You will be getting a reminder for your Parent-Teacher Conference appointment next week. If for some reason you cannot make the appointment, please call to schedule a different time. Conferences will be Nov. 2nd-5th. I know we will see your child's best, as we continue to work together.

Students stop to take a quick photo with the all-women's mariachi band from Mexico, after their performance here at Weller.

Students use the abc chart to practice writing their letters and sound out words during writing lessons.

Class Mission Statement
